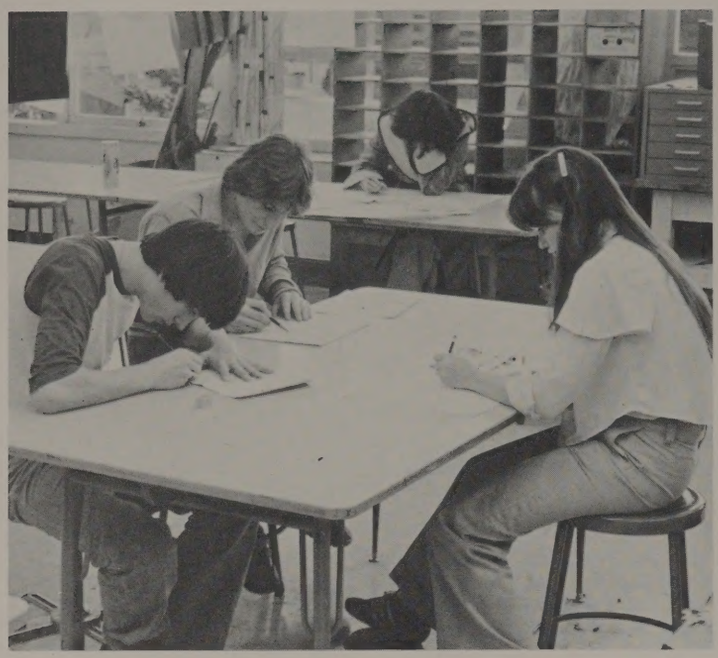
DEDICATION

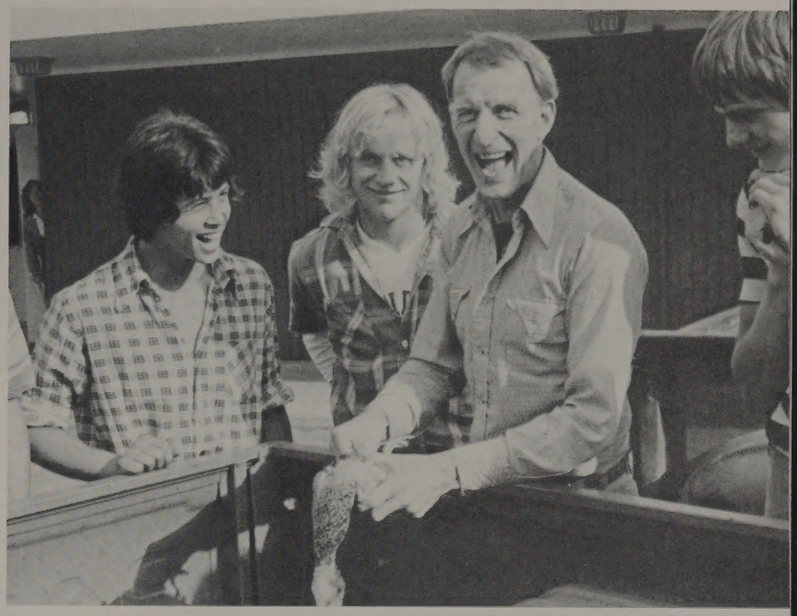
THIS BOOK IS DEDICATED TO ALL THE STUDENTS, FACULTY, AND ADMINISTRATION OF LYNDEN HIGH. NO MATTER HOW INSIGNIFICANT THEY MAY FEEL, THEY ARE A PART OF HISTORY, AS RECORDED WITHIN.



IF I HAD MY LIFE TO LIVE OVER, I'D RELAX MORE.

I WOULDN'T TAKE SO MANY THINGS SERIOUSLY.

I WOULD TAKE MORE CHANCES



I WOULD CLIMB MORE MOUNTAINS AND SWIM MORE RIVERS

NEXT TIME, I'D START BAREFOOTED EARLIER IN THE SPRING

AND STAY THAT WAY LATER IN THE FALL

I WOULD'T MAKE SUCH GOOD GRADES UNLESS I ENJOYED WORKING FOR THEM

I'D GO TO MORE DANCES

RIDE ON MORE MERRY-GO-ROUNDS

I'D PICK MORE DAISIES

FUTURE HOMEMAKERS OF AMERICA

Future Homemakers of America is an organization consisting of students currently enrolled in Home Ec. classes and/or students who previously have taken Home Ec.

The organization, which is Statewide and nationwide, shares ideas and concerns with other clubs within the region. This fall we attended an area meeting at Sultan to share club ideas and meet other club members. In March, Lynden will host another such meeting of FHA members to discuss accomplishments during the year.

Traditionally the FHA sponsors the Sweetheart Assembly on February 14th which honors students who have outstanding personal traits ranging from scholastic aptitude to the nicest smile. The club is also tentatively planning to revive the annual Mothers' Tea in May.

This school year was spent raising money to build up a rather depleted treasury. Activities included car washes and bake sales.

1978-79 was a very successful year for the Lynden Music Dept. Major performances included Fall, Winter, Spring, 3rd Annual Combined, and Pops Concerts. The 2nd Annual Fall Jazz Festival hosted by Lynden's Jazz Ensemble featured a guest appearance by the W.W.U. Jazz Lab Band. Lynden Choir hosted its first Festival this fall with both Meridian and Mt. Baker attending.

Jewelry sales, skate-a-thon, and other fund raisers helped finance a Concert Tour in Eastern Washington. Students were involved for four days, performing at other high schools, along with sight seeing throughout the Eastern Washington countryside.

Spring activities included Sob Ensemble Concert, Music Boosters Concert, and the Blossomtime and Farmers' Day parades. "Moms & Dads" Banquet and an "Awards" Dessert were two social events shared by music students and their parents this year.

> I would like to thank this year's music students for all the extra time and effort they gave to produce such fine musical groups. Your professional attitude made it a pleasure to work with you. Please continue to set your goals higher and always "Strive for Excellence."

CROSS COUNTRY

After graduating four of the top five runners from the 1978 team, Lynden came back to place second in the county. The team missed going to state this year, but prospects look good for next year, if they continue to improve as they did this past season.

Lynden's top seven runners were: Carl Larson, Kurt Langstraat, Billy VanZanten, Jeff Eigenbrood, Glen Crabtree, Brian McAfee, and Jacques Brown.

VARSITY FOOTBALL

The Lynden Lions ended the season with a double overtime loss to Meridian by a score of 30-32. This gave us a record of seven wins and three losses, and a tie for second in the league.

The Lions started off the season with a big 34-6 win over Mt. Baker, followed by a close 10-8 win over Blaine. We then lost 20-3 on a wet Nooksack field. In the next two games the Lions defeated Meridan 20-0, and Mt. Baker 7-6. In the seven to six win over Mt. Baker the Lions lost three year starter Mike Hill for the rest of the season with a knee injury. With the loss of Mike Hill, the Lions lost to Blaine 14-3, but came roaring back to defeat Nooksack 33-6, and fought off Lynden Christian 2-0 in the wettest game of all time. In the final game of the season, Lynden lost 30-22 and double overtime. the loss was very bitter, as Brian Anderson scored in the second overtime, only to have the touchdown called back on a penalty.

Awards were won by: Brian Anderson-high tackle, most valuable player, and outstanding offensive back; Mark Morgan-offensive line; Keith Louws-defensive line; John Weeks-defensive back; Keith Shelly-spirit award. Jim Jaime won the Elmer Clarkston Inspirational Award.

The J.V. team went undefeated for the eighth year straight. This gives coach Terry DeValois a record of 50 wins and 0 defeats for his J.V. teams.

LYNDEN LIONS
BASKETBALL SEASON 1978-79

After graduating most of a team that won 26 of 27 games in the 1977-78 season, this year's team was faced with a rebuilding year.

After a slow start, winning only two of their first eight games, the young Lions started to improve. One of their big wins was a victory over eventual state champion, COLFAX!

The team went on to gain third place in the Whatcom County League and earn a berth in the Northwest District Tournament.

Lynden played one of its better games of the year by defeating Kings Garden, then disappointed by losses to Lynden Christian and Coupeville. Lynden would not be in the State Tournament!

Rollie DeKoster's Junior Varsity completed a fine season, winning the J.V. league and compiling a fine 16 won - 4 loss record.

Graduating seniors who contributed to the team are Larry Whitman, Jeff Eigenbrood, and Dwight Young.

With the steady improvement of the Varsity, plus excellent Junior Varsity and Junior High players to help—LYNDEN SHOULD HAVE A VERY FINE TEAM FOR THE 1979-80 SEASON!!

Dear Team,

We have a year behind us. Not very successful . . . on paper . . . 1-14 and 3-15 . . . not burying the record books. But I saw the wins; the successes . . . you were great! I have seen the improvement, individual and team. I have seen the desire, the dedication . . . I've seen you grow . . . together. I know it wasn't easy, but you continued, you gave your talent, your best; and you gave your time, a part of your life.

"Success is peace of mind
which is a direct result
of self-satisfaction
in knowing you did your best
to become the best
that you are capable
of becoming".

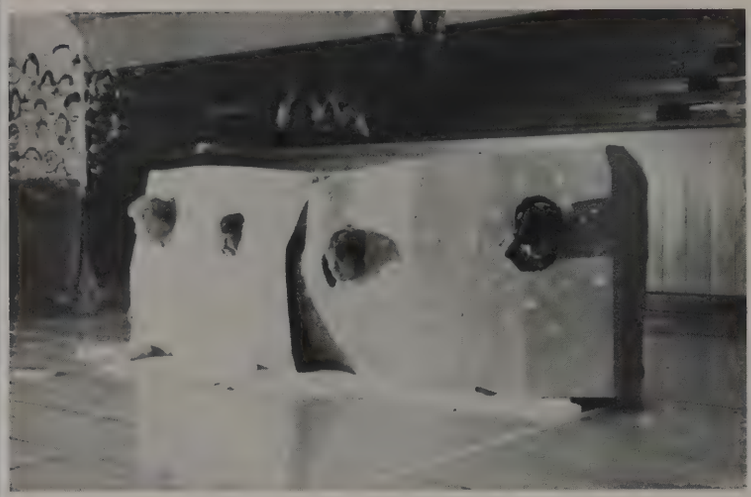
HOMECOMING ASSEMBLY

Friday morning, November 3rd, we were entertained by a 50's style band called, "Feeble-istics". (Seniors-John Weeks, Eldon DeJong, Brian Anderson, and Jim Jaime.)

After the concert, we had class skits and competition in the gym. Then semifinal scores for football, cross country and volleyball were announced. Following this, the cross country runners and football players found out who their "Guardian Angels" were.

Later that night, we went on to win our homecoming game against our crosstown rivals. The final score was; Lynden-2, Lynden Christian-0.



I think I've got something in my eye . . .

This past year has been very memorable, enjoyable, and exciting for me. Like most things in life, there were more and harder tasks to do than I had expected.

We ended our Junior year with approximately $500.00 in the treasury which helped, but was not nearly enough to carry us through our Senior activities.

We started fund raising before school started with a very successful dance at Jansen's barn in August 1978, then added a few other fund-raisers, such as the football concession stand, carwashes, pen-selling, raffles, more dances such as Homecoming, and Spirit Week. One of our most helpful projects was selling shrubs donated by Mrs. John De Valois. A big thanks goes to her. We greatly appreciated her generosity.

We took first place for the second year in a row in the Homecoming float competition. We also had a great Junior-Senior Prom, Banquet, and a lot of fun on our "Senior Field Trip". Much credit goes to all those involved.

I would like to thank all the faculty for helping us throughout our thirteen years in advancing our education - especially our advisors and our class officers over the past four years. I found this year very rewarding and very educational, to quote Mr. De Valois . . . "in spite of what I had to work with". However, in my mind, our little saying is correct- "79 is fine". Hope to see you all at out class reunions. Thanks to all at L.H.S.

We are all children
Seeking the fountain
We are all children
Washed by the rain

We are the dreamers
We are the dancers
Life is the music
Love is the song.

We are all children
Needing laughter
Fighting tears
Hiding fears

We are all children
Seeking release
Hungry for peace

We are all children
Crossing the ocean
We are all children
Tossed by the storm

Swimming the waters
Of God's devotion
Seeking a harbor to
Offer us home

We are all children
of various ages
We are all children
The near and the far.

Give us peace
To search not for sages
Give us the strength
To love what we are.

Take Time to think . . . It is the source of power.
Take Time to play . . . It is the secret of perpetual youth.
Take Time to read . . . It is the fountain of wisdom.
Take Time to pray . . . It is the greatest power on earth.
Take Time to love and be loved . . . It is a God-given privilege.
Take Time to be friendly . . . It is the road to happiness.
Take Time to laugh . . . It is the music of the soul.
Take Time to give . . . It is too short a day to be selfish.
Take Time to work . . . It is the price of success.
Take Time to show appreciation . . . It is the frosting on the cake of life.

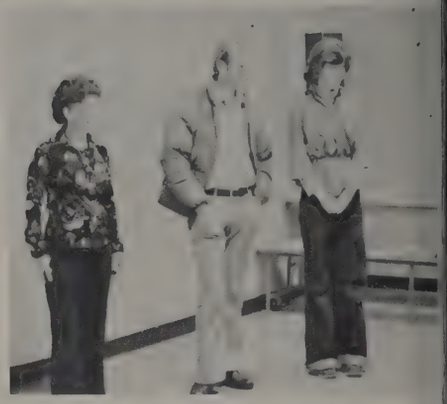
Take Time to do charity . . . It is the key to heaven.



There's a season for beginnings,

when the world is fresh and new,

when we shape our dreams

of all the things we plan

and hope to do,

There is a season for maturing

when we think and work

for the harvesting of all

we've come to know

grows still richer than the last

THE END

SIGH Well we've finally sent the last pages of this yearbook to the plant. It's about time. I'm sure Mr. Vannice would agree, and Mrs. Thomas. I've always said, however, better late than never. And if, in fact you don't agree with my philosphy, and you are a little upset about the late arrival of these annuals, I challenge you to do a better job next year. Problem is, you most likely could.

It's been tough being editor. In fact it's been a regular pain. And I could never have done it without the support of a lot of people. Therefore I shall take this time to give deserving credit. For the lovely photography, I'd like to thank Rene Smith, Brent Nonhoff; school photographers, Gale Johnson, Don Rubenack; Donette Studio photographers. Also under the category of photography, I'd like to thank Mrs. Knudsen for her patience and help. My staff also should be commended for their work, Debbie Jones, Dwayne Crabtree, Julie Dahlgren, Liz McKinney, Ingrid Doctor, Lisa VanMersbergen, Kim VanWeerdhuizen, Brien McCracken, Mike VanBerkum, and especially Jo Smith. She was great about staying after school to finish deadlines. We had some great conversations, my staff and I. We talked about everything from my cousin. Ask Julie Dahlgren and the packing of fudge in the candy stores. Ask Dwayne Crabtree. They also kept me supplied with cheese and crackers and Rothchilds.

My very special thank-you goes to my mom. She has patience and understanding of ten people. Another special thanks goes to Mr. Vannice. He has even more patience than my mom. When I saw him once this summer, and told him I was trying my best to get things done and he said 'I know', I just about hugged him. But the biggest THANK-YOU of all goes to Mrs. Thomas. She knew me enough not to nag. And I respect her for that. I also think the change she has accomplished is great! And I hope she continues.

To next years editor I will my prescription for valium. If you're smart you won't accept the job. Anyway happy headaches.

Now the yearbook is officially yours, student body, and faculty members. ENJOY!!

1979 Editor,
Peggy Krenz
